STYLE

Our repertory is primarily based in jazz and contemporary technique, but we are open to other styles. For example, we currently have a hip hop and tap piece in our repertory.

Rehearsals

Currently, regular mandatory rehearsals are Tuesday nights, 8 – 10 PM at Mass Motion in Allston, MA. Other rehearsals may be added as needed.

Choreography

All members are eligible to choreograph after they have been in the company for 6 consecutive months or longer and are in good standing with the company.

Pay

At this time, all members volunteer their time to be a part of the company. This company is geared towards technically trained dancers and performers who want to keep dance as a significant part of their lives but also pursue other endeavors – careers, school, family, etc. By the same token, there is no membership fee or contribution required to cover the company's expenses.
